

THE COMMANDO ASSOCIATION — LOST LEGION

List No. 5

September, 1974

Herewith a further instalment of our long list of comrades out of touch with the Association. Please read through this and kindly advise Henry Brown at 2, Lower Sloane Street, London, SW1W 8BJ, if you know the present whereabouts of any of the comrades mentioned.

Response to these lists is still very heartening and we are indeed grateful to the many comrades who have offered assistance in this matter to date. In the four previous lists, the names of 811 members have appeared, of which 88 are now back in touch with us again. We feel sure all members will share the view expressed by comrades present at the last Annual General Meeting that the expense involved has been worthwhile and that the lists should certainly be continued for the time being.

(Former ranks, which in some case may be incorrect, are included purely as an aid to identification).
