

THE COMMANDO ASSOCIATION — LOST LEGION

List No. 6.

March, 1975

Although there wasn't very much response to edition No. 5 of our Lost Legion Lists, we have decided to continue this effort to regain contact with as many comrades as possible, and you are kindly requested to read through the following list. If you have any idea of the present whereabouts of any of the comrades mentioned, or if you know of friends who might have the information we are seeking, please drop a line to Henry Brown at 2, Lower Sloane Street, London, S.W.1.

Up to date we have received news of 110 of the 1,065 members mentioned on the previous five lists.

Do please help if you can and, as we seem to be continually losing touch with members who fail to advise us of moves, may we appeal to you not to forget this important matter if you change your home address.

(Former ranks, which in some cases may be incorrect, are included purely as an aid to identification).
