

THE COMMANDO ASSOCIATION — LOST LEGION

List No. 8

March, 1976

We record our grateful thanks to the many members who have written in recent months with useful information about comrades out of touch. Whilst success is not achieved in every case, quite a number of members are now back in the fold, and the committee agree that this project should continue until we have completed the alphabet.

Kindly browse through the following names of comrades out of touch, and drop a note to Henry Brown at 2, Lower Sloane Street, London, SW1 8BJ, if you know the present whereabouts of any of those named, or have any helpful facts which you feel might produce the information we are seeking.

(Former ranks, which in some cases may be incorrect, are included purely as an aid to identification).
