

THE COMMANDO ASSOCIATION — LOST LEGION

List No. 11

September, 1977

The previous ten lists included a total of 2,321 comrades out of touch, and to date we have been able to regain contact, or have had news, of 228 of these. This edition almost completes the task commenced five years ago, and we are indeed grateful to the many members who have taken a great deal of interest in the project during this time.

We again appeal to you to browse through the following names, and to advise Henry Brown at 122, Brompton Road, London, SW3 1JE, or give him a ring on 01-581 1831, if you know the present whereabouts of any of those mentioned, or have helpful hints which you feel might produce the information we are seeking.

Note: Former ranks, which in many cases may be incorrect, are included purely as an aid to identification.
