

THE COMMANDO ASSOCIATION — LOST LEGION

List No. 9

September, 1976

The previous eight lists have included the names of 1,819 comrades out of touch with the Association, and to date we have received news of 190 of these. Sadly, response to recent lists has not been as great as that experienced after publication of the first few lists, but we have decided to press on with the project until we have completed the alphabet.

Kindly browse through the following names, and drop a line to Henry Brown at 2, Lower Sloane Street, London, SW1 8BJ, if you know the present whereabouts of any of those mentioned, or have any helpful hints which you feel might produce the information we are seeking.

(Former ranks, which in some cases may be incorrect, are included purely as an aid to identification).
